 Information

25X1

1. On 4 November 1952, a Polish delegation arrived at the Funkwerk Koenenick Berlin, (radio plant) to make inquiries concerning the technical construction of 12 ultra short-wave transmitters which had been ordered.
2. The Poles complained about the high production cost and sales price of the transmitters and declared that cheaper offers were made by all other countries

The delegation

25X1

submitted technical and commercial data from these countries
